COMMUNICATION

Individuals in the Autism spectrum face challenges conveying their desires and interests, therefore Feruzi will create programs to enhance verbal communication as well as alternative modes of communication including PECS and Sign language.

OTHER SERVICES

- Swimming in a heated pool at the site.
- Horseback riding
- Dancing lessons
- Music lessons (Piano, Drums, Guitar).

ABA THERAPY

Feruzi is committed in offering evidence-based behavioral therapy using well trained therapists with ABA skills.

VOCATIONAL TRAINING

Feruzi will facilitate career realization by teaching functional skills that can be used in income generation and such other gainful engagements.

We have teachers who teach reading, language and arithmetic skills using the British National Curriculum.
